For holiday trays and platters and to balance out a range of flavors beginning with the mild end of the spectrum, Saint Paulin fits the bill. Young and old alike will appreciate the mellow creaminess.

Saint Paulin returns from France exclusively with the Life in Provence label.

This cheese of the Charentais-Poitou region carries a similar Monastic profile to Port Salut being a semi-soft and pressed cow's milk cheese with the very familiar orange rind and delicate, mild and milky flavor.

**010518 SAINT PAULIN PACK 2/1 kilo**

Take advantage now during the fourth quarter to experience the beauty and flavor of both cheeses (see details in the November newsletter).

## CASTELINHOS OF PORTUGAL IS BACK IN STOCK

## Organic Pancetta

### **Organic La Quercia Pancetta Americana— Green Label**

Pancetta is another great “salume” (salt cured meat) enjoyed in Italy. The same cut of pork that is used in America to make bacon is dry-cured to create a ready-to-eat, savory, yet delicate accompaniment to prosciutto, salami, coppa, etc. on an “affettato misto” (mixed sliced meats) platter. You will also find pancetta as a key ingredient in traditional sauce recipes like Bolognese, Carbonara and alla Matriciana.

Working with Organic Valley, La Quercia selects organic Berkshire cross pork, then they salt it, dry it, and age it to make it into a traditional, pure, and rustic form of pancetta. Their “pancetta tesa” or flat pancetta does not require further preparation. Unlike most pancetta produced in the U.S., theirs may be eaten without cooking. Using only sea salt and organic spices in their dry curing (no nitrites or nitrates), we offer La Quercia’s Pancetta Americana ready to be sliced and eaten, or it works beautifully for cooking.

- **FLAVOR:** Savory, rich, and delicate flavor from their unique, proprietary spice blend and premium meat. Sumptuous and creamy fat. An American alternative to Lardo. Great wrapped around seafood.

- **EASIER TO USE** for wrapping, broiling or grilling because of flat shape.

### **•PREMIUM QUALITY AND SHELF STABLE**

Handmade

Organic heirloom pork

No nitrite or nitrate, no garlic

Very versatile

Shelf stable and requires no cooking so it is

Naturally dry cured—no fermentation

Distinctive, rustic, artisan appearance

- ORGANIC:** Only organic spices and sea salt added

**603163      Organic Pancetta      4/3-4 lb**

## Hunters Sausage

Landjaeger is a traditional German sausage with a unique, slightly flattened shape and peppery seasoning. It is made from specially seasoned pork and beef and has a natural casing. Nueske Landjaeger is smoked over genuine Applewood logs to give it the sweet, smoky flavor that all Nueske products are known for.

Landjaeger is shelf stable and is great for a ready to eat snack or to put in a Holiday basket. Since they do not need refrigeration they are perfect for hiking, fishing, golfing, road trips and would sell great off of any retail counter. I recently ate several watching the Bears beat the Green Bay Packers. Now look where our beloved Bears are. I bet you can't eat just one.

### **“Grands Crus de Terroir”**

#### **Single origin chocolates from Valrhona**

Valrhona has two additions to its line of single origin chocolates: “Alpaco 66%” from Ecuador, and “Tainori 64%” from the Dominican Republic join “Manjari 64%” from Madagascar and “Araguani 72%” from Venezuela.

#### **Alpaco 66%**

**Ecuador (Item # 469530) 3/3 kg**

Ecuador is an important cocoa-producing country with a few long-established plantations hidden in the golden triangle formed by the villages of Vinces, Quevedo and Babaoio. Here, a traditional local bean variety called “Nacional,” better known as Arriba, is cultivated and used to create Alpaco, Grand Cru de Terroir.

Flavor profile: Flavors of yellow fruit follow in the wake of roast almond and freshly baked bread.

#### **Tainori 64%**

**Dominican Republic (Item #469685) 3/3 kg**

It is in the Dominican Republic, the island with the highest elevation in the West Indies that Valrhona has selected and carefully fermented Trinitario cocoa beans from very old plantations. Tainori, Grand Cru de Terroir, was born in this region where the subtropical climate and violent cyclones have molded the landscape into a mosaic of different soils.

Flavor profile: Delicate floral notes of jasmine and orange blossom give way to a long finish of refined bitterness and woody flavors.

#### **Manjari 64%**

**Madagascar (Item # 469471) 1/3 kg**

The rich lands on either side of the Sambirano River in northern Madagascar elicit acidulous notes of red fruits, aromas that are unique to the Trinitario bean. Created in 1993, Manjari is a composition of rare Criollo and Trinitario beans from Madagascar.

Flavor Profile: fresh, acidic, sharp bouquet with red fruit notes.

#### **Araguani 72%**

**Venezuela (Item # 468759) 1/3 kg**

The contrast between the beans from cocoa trees in the plantations nestled in the Andean foothills with those from cocoa trees fanned by the sea breezes from the Caribbean coast ensures the delicate balance between warm notes of currants and chestnut with a hint of honey and fresh baked bread.

Flavor Profile: Created in 2002, Araguani is made from rare Venezuelan cocoa beans and can be compared to great wines with high tannins and a long-lasting finish on the palate.
